Message from the Editor

Welcome to this month's edition of Croquet Matters. Now the weather is warming up, I hope you are all looking forward to many days spent enjoying your favourite form of croquet, whether you are playing socially or in competitive events.

As Croquet Matters is distributed online, direct links back to the CNZ website are now included in this edition. To use the links, hover the curser over the link and click when it turns into a pointing finger. You will find that more detailed information for each event or item, as well as online registration, is available on the CNZ website. Hopefully, you will find these links beneficial.

Regards, Jackie

(Any emails to jackietye1@gmail.com)

From the President

Kia ora,

The new season is starting soon and there will be lots of excitement around club houses and lawns. The Yearbook should be out soon so that you can plan which tournaments you want to play in this season. This year, CNZ tournaments are starting later to give clubs and associations a bit of space to hold their own events. Hopefully the weather will be kinder to us this year.

I would like to thank all the clubs that have submitted nominations for the various awards being presented at the AGM in October. It is fantastic to see the club participation award nominations being submitted and the growth that clubs have experienced. Completing the club participation award nomination form is a way by which clubs can reflect on what and how they are doing.

CNZ recently received the Sport NZ Community Sports Investment Initiative Report. There were two areas targeted: coaching and competitive structure. Feedback from the second year of reporting showed that CNZ is progressing well in both areas. The High Performance Plan that shortly goes before the CNZ Executive on 25th August will be a step in moving the plan forward. Receiving constructive feedback focuses our energies and resources. One of the suggestions was to provide more supporting documentation. If you are asked to provide some, your doing so will further the growth of croquet.

Have a great season!

Warm regards, Anníe

Tournament Entry Form

Entries close Thursday 25th October 2018

2018 Player Survey Report

The results of the player survey distributed in April this year are now available online. The reason behind the survey was that, through feedback received, CNZ had identified two areas of risk - firstly, the decline in AC participation nationally (compared with worldwide trends); and secondly, a need to increase the entry numbers for tournaments.

An impressive 1,492 responses were received (representing 33% of the membership) and thanks go to all who completed the survey.

The results of the survey supported the hypothesis that the playing population is generally formed of an older demographic, and also that golf croquet has a much larger participation level than association croquet.

Only 32% of respondents had played association croquet during the last two years, compared to 92% having played golf croquet over the same time period.

To read the full report online, including recommendations for actions that could be taken, please click <u>here</u>.

New GC Rules Published

Last month the World Croquet Federation administered a vote with its members on whether to accept the proposed GC Rule changes, and this was passed.

These rules will come into effect from **1**st **September 2018** in New Zealand although the New Zealand Secondary Schools GC Championship Final will be played under the old rules.

Please click on the following link to access the 5th Edition of the WCF Golf Croquet Rules and supporting documents.

New GC Rules

2018-19 CNZ Invitation Events

Croquet New Zealand is calling for <u>ALL</u> players who are interested in being considered for any of the 2018/19 Invitation events to complete the online registration form.

This process will help the selectors understand who is, or isn't, available for each of the invitations. More information on all events is available online at <u>CNZ Fixtures</u> <u>Yearbook 2018-19</u> or use the link below to access more information on the individual events:-

The online form to register your interest can be found <u>here</u>. Please note that registering interest, does not guarantee a spot. Those selected will be notified shortly after the respective National Championships.

NZ U21 GC Championship

In recent years, this tournament has grown significantly and this year it will take place at Matamata's new 6-lawn venue over the Labour Weekend of 18th-22nd October 2018.

Top contenders for this year's title are likely to include U21 World & current NZ GC Champion Felix Webby and the 2017 NZ GC Champion, and current holder of the title, Edmund Fordyce.

Both players will be tested against a very strong field of players that will be looking to improve their ranking positions prior to selections for the U21 GC Worlds in England next year.

The event includes doubles and singles competition and is open to all U21 players who are an affiliated member of their local club.

Event details: CNZ U21 GC Championship 2018

Register online at: U21 GC Registration

Club Life Membership Awards

This month we have news of two clubs who have recently awarded the honour of Life Membership to three of their members.

At Pakuranga Croquet Club, Helen Hopkins, long standing loyal member and helper who was secretary of the club for many years, together with Brien Leitch, the club's main hoop setter and a wonderful helper with maintenance of the green, were both awarded Life Membership. President Precille Harrison presented them with their certificates at a morning tea.

Left to right: Helen Hopkins, Precille Harrison (President), Brien Leitch

At Pukekohe Croquet Club, long-time member Owen Knapman has been awarded Life Membership of the club. Playing croquet since 1990, Owen achieved an AC handicap of -1 and has won many club championships at different levels. Not only has Owen represented Franklin (now Counties-Manukau) in winning Upper North Island AC teams, but he has also been Club Captain, a club coach, an AC umpire, and a great supporter of newer players to competitions. For eight years, he has taken pride in his role of the club's 'mower-man'.

Owen was presented with a plaque recognising his worthy contribution to Pukekohe Croquet Club. Both current and former members attended a morning tea in his honour. Many croquet players from other clubs will know Owen and join Pukekohe in wishing him well – and many more croquet games!

Left to right: Jim Guthrie (son-in-law); Owen Knapman; Laurel Guthrie (daughter).

Croquet New Zealand AGM 13th-14th October 2018
