

Selection process for GCWT

The GCWT selection committee have amended the selection criteria in replacement of the default criteria as specified in section 3(c)(vi) or the CNZ Selection Policy 2018, all other clauses in the CNZ Selection Policy 2018 will remain.

- a. The selection committee will select an initial squad of players which will be considered for selection for the GCWT;
- b. The selection committee may from time to time at its discretion add and remove players from the squad for various reasons, including but not limited to, form, and commitment to team preparations;
- c. Players will be required to prepare and submit a personal performance plan within one month of being named in, or subsequently added to, the squad;
- d. Players will be assessed on the following criteria;
 - I. Performance measured against personal performance plan;
 - II. Assessment of base level of performance and tactical knowledge;
 - A. In domestic events over the 24 month period prior to selection
 - B. In previous international events
 - III. Performance under pressure;
 - IV. Compatibility of doubles combinations and successful doubles play;
 - V. Ability to add value to the team environment;
 - VI. Compliance with Croquet NZ Players' Code of Conduct'.
